“ I love Rhonda as a mother. She is funny, sweet, willing to listen, and she shared her love of Jesus with all she came in contact with. She organized a Bible study at Fullerton which Kelly, her "granddaughter" and I enjoy attending, which is led by Todd Brooks. Although my heart, as well as my daughter's is broken, we know she is in the presence of the Lord she loves so well. And we will be with her again, whether it is by the Resurrection, or death. And I used the word is because she is alive and well in heaven. Glory to our Father in heaven.
