“ *Ric, You are missed so much. So many memories come to mind especially the quick nap you needed after the hay barn accidentally caught on fire. I know you are smiling down. Send me lots of pennies and maybe one day I will be rich after I add them to the ones I get from Daddy. If only there was a staircase.... Love you, Phyllis*

“ *Sunsets on the beach will always connect me with you. Finally, a man who could talk as much as me and had as many interests, I am more silent now. You are missed.*
