“ I just found out about Richie. My condolences go out to family and friends. I grew up with Richie, he was a friend and part of what we called the Truck Stop Gang. I remember his great sense of humor and his laugh. We shared many good times together hanging around JR's and just cruising around Worth County. We all lost touch as the years went by and we went our separate ways but over the years I thought of Richie and the good times we all shared. The last time I saw him was at my cousin Randy's funeral several years ago. I know he will be missed by many.
