“ Really hard to find any words of comfort other than apparently he had accomplished his plan here on earth. Robbie was always real and true to his family and friends. When I got into Jeeps, he had to call me and tell me what to do or not do. Hope you all can find peace in the fact the he touched so many. Glenda and Cody, just know you all have an abundance of people praying for y'all and to turn to. You never get over losing someone, you just learn to how to cope with it one day at a time.

*“ Dear Kaye, Sambo, Sonya, Kelly, Glenda and Cody Robbie was and is a fond loving memory for me as I knew him and Sonya who was just a baby back in the 70's. Both a joy to my heart when they were in my care at Happy Days. Robbie who I last saw at Dairy Queen parking lot and who I had not seen since early eighties but reconized him & he picked me up off my feet for the best hug in the world after I said you are one of my Happy Days Doobies, arent you? He was a blessing and will be greatly missed!!! Love you all and you are in my thoughts and prayers.

“ Glenda, our hearts break for you and Cody during this most difficult time and prayers are said that God will send comfort and peace to you all and the rest of the family. I have seen the goodness and caring of both you and Robbie first hand. All the help and support provided during Brandon and Hannah's wedding and in Robbie's caring about Mike when he lost his first pit bull. I know Cody will be fine in time as he has the best of both you and Robbie in him and that is a pretty powerful force. Just know that you all have many friends and family that love and care about you both and will provide whatever support you need. May God Bless you all. Love, Mike and Carole Jones
