“ *Bob will truly be missed by so many, especially the Ewing family. He has been a dear friend of the family and the love of my Aunt Marjorie's life. He took my son on his first real fishing trip on the family farm in Ocilla. Many memories we will never forget. He and my Daddy (Gator) are now Heavenly Buddies!*

“ So sorry to hear about Bob. We had some great times going swimming at his house in Poulan and going on vacations with him. He will be missed. Eric Hall and family  
Letter from Heaven  
To my dearest family some things I'd like to say  
But first of all to let you know that I arrived today, I'm writing this from Heaven. Here I shall dwell with God above  
Here, there's no more tears of sadness. Here is just eternal love.  
Please do not be unhappy just because I'm out of sight  
Remember that I am with you every morning, noon and night.  
That day I had to leave you when my life on earth was through  
God picked me up and hugged me and He said "I welcome you, It's good to have you back again, you were missed while you were gone, As for your dearest family, they'll be here later on. I need you here badly, you are part of my plan  
There's so much that we have to do to help our mortal man."  
God gave me a list of things that he wished for me to do  
And foremost on the list was to watch and care for you  
And when you lie in bed at night, the days chores put to flight  
God and I are closest to you . . . in the middle of the night.  
When you think of my life on earth and all those loving years  
Because you are only human, they are bound to bring you tears  
But do not be afraid to cry, it does relieve the pain  
Remember there would be no flowers, unless there was some rain.  
I wish that I could tell you all that God has planned  
If I were to tell you, you wouldn't understand  
But one thing is for certain though my life on earth is over  
I'm closer to you now than I ever was before.  
There are many rocky roads ahead of you and many hills to climb  
But together we can do it by taking one day at a time.  
When you're walking down the street and you've got me on your mind  
I'm walking in your footsteps, only half a step behind  
And when it's time for you to go . . . from that body to be free  
Remember you're not going . . . you're just coming here to me.
