“ It is with great sadness that I learned of the passing of my dear friend Bob. Your family had one of the greatest guys I ever met. He was a part of our family, my wife and children enjoyed Bob's company whenever he would stop over. I talked to him at least once a week. Most recently we talked on the Wednesday before he passed. We were going to meet the next week and have a drink and talk about helping the Special Services for Autism. He will be forever in our prayers and will be missed.
