“ Bobby was a friend. A friend that you could call at 3:00 A.M. to clean your microwave. He would show up knowing it had nothing to do with a microwave. He would be there for you. I will always remember our times together. Whether riding, discussing the Bible or just hanging out. Missed but never forgotten. Kelly and family Bobby is now healed and in a better place. I love y'all.

“ I rode more miles with Bobby than anyone. When I bought my first Harley he was there. He would call me up and say let's ride and away we would go. Sometimes the kids would ride (mine and his) and we would just all have a good time. Love you Brother ride free and watch over us.
