“ *I met Mr. Ronnie many years ago. He would always stop by work to handle business, and talk about my dad and him having a drink at the Moose. He used to always talk about stopping by Bruster's and getting ice cream 🍦. He spoke so highly of his wife. He was such a cut up. He will be missed.*

“ *I met Ronnie in 2005, and we saw each other often at the River Pointe golf course. He loved to sing, dance, and tell jokes. He also told me about his excellence as a bowler, and I seem to remember he was a great skater in his youth.*
He always talked about Shirley, and the kids and grands. He was so proud of all of them.
Ronnie did his best to bring sunshine and a smile into the room with him.
Jack and I send our deepest sympathy to all who loved him.

“ Dear Shirley, and all your children and grandchildren...I am truly sorry for your loss. I am so glad I got to know Ronnie during the time I kept Kenzie. He always had a smile on his face and a kind word to say...he was full of life! May God truly wrap His arms around each of you and give you peace and comfort, as only He can do. I love your family, and even if we don't see one another often, you are never far from my thoughts. God bless you as you walk this difficult journey. So grateful God gives us memories to hold on to during times like these.
