“ You do not know me nor I you. My mom was a very good friend of your mom for many years in the old days. As teenagers, they spent a lot of time at each others' homes I suppose doing what teenagers did back then. Your mom , Aunt Hattie, and Grandmother gave my mom a wedding shower when she married my dad. Mack and Judy have been very close friends of ours for many years. Mack was my mom's mail carrier for many years before she passed in 04. I had the priviledge of meeeting your mom at Doug Wishum's wedding out by the lake. It was a great pleasure to finally meet one of my mom's friends from the old days. When my aunt called this afternoon with the news, I was saddened and felt I must send a note. From all I know you had a great mom just like I did.
