“ I've known Steve my entire life.. as an elementary kid I was ordered by our bus driver to sit with him once he got on the school bus to keep me out of trouble. He helped us farm in his younger years.. Steve was a groomsman in my wedding.. He and Debbie, me and Mike were always together doing something.. I sat with him while he was hospitalized with his original cancer diagnosis. He was a very good friend.. he's finally "home" to play with Ashley and see his mama, daddy and Greg... Prayers for Debbie, Hope, Lacey, Reagan, Bailey and all of his extended family.. Rest easy Steve!

“ *I am so sorry to hear this. Steve was a dear friend. He would do anything for you whether it was dropping of a watermelon or two as a surprise or just checking on you. I never saw Steve without getting a hug from him. When Jim was out on a job and I got our Tahoe stuck in the yard (don't ask), Jim called Steve and he came right over and pulled it out. He made sure it was ok first because he knew we would lose a tree. It was always something simple. I will miss you Stev-O (as I called him)!!!RIP my friend!!*
