“ *Mrs Ruby filled our lives with more than 1 memory. Her daily visit for lunch at the truckstop was always full of love, hugs, and smiles,, and an occasional stern lecture when we needed it.. And hand to hold when we needed that too..Such a small little lady pulling up in a big old car..We have had the pleasure of serving her for 20 years. when she could no longer come to us,,, we took lunch to her.. I am proud to say she loved her truckstop girls,, Gail, Judiann, and myself and we LOVED us some Mrs Ruby. Mr. Ronald, the grandchildren we thank you for sharing her with us... You all are in our hearts and prayers.. Mr. Ronald we promised your mama we will look out for you,, so you know where to find us.... Love you all*

It is impossible to put in a few words what Mrs "Rube"(what Touch called her) ment to my family. We loved her so much and she returned that love unconditionally! She was fun, caring, helpful ready to lend a hand in any way she could. I will miss her more than I can say but will always remember her and our good times together. R .i. P. "Rube". Mary Touchton
