“ *Mr. Rusty Brown*

“ *Many people say that they have a special someone in their lives. I can say that you are/were one of those people.. I know that you knew how much you meant to me and that I Truly Loved You. I was/am not only glad to call you my Uncle, but my best friend after all, you are my heart. Whenever I came to talk to you about something, you would give me your opinion. Sometimes, I would not always agree with what you had to say and most times, I would have to tell you that you were right and I was wrong.. You would just laugh and then you and I would go out to eat, horseback riding or just sit around and talk.*

*I can't even begin to tell people how many miles we rode for you to go work on horses feet. A lot of people would ask me, "Are you Rusty's daughter". I would say no, I am his niece. Or a lot of people would say, I know your kin to Rusty for you have his eyes. I would just say, yes I do.*

*I will be lost without you Eugene Thomas Brown a/k/a/ Rusty for you are a huge part of my heart. But know, that I will always Love You and even though you may not be here in person anymore, you will forever be on my mind and in my heart .*

“ Uncle Rusty you were always the best person that a person could have. I have always loved you. You are now with my momma and know she is enjoying that. She talked about you before she passed of how much she lived you and aunt Norma. I always enjoyed the time we came out to your house and you always made me ride a horse even though I was scared to death. And all the times that momma and me took Raymond out there and he always bet us back home. I will always thank you for helping my momma. Love Sebrina and family

“ Uncle Rusty, although we all knew that Sheila was your favorite niece, I proudly will take second. We had a nice Thanksgiving last year. Me, Phil, Craig and Jordin surprised all by coming home. We had great conversations at the table. I dug up our "alien or missile particles" from your drive way. You said if it was worth millions that we would share the money. I still have the pictures. I will do my best to look after Momma and Sheila for you. Sally will be fine. I will never forget riding horses at your farm, Easter & Thanksgiving gatherings, your beautiful eyes, stories and the love you showed all of us. May God comfort you and keep an eye out for the rest of us. Until we meet again, we love you.  
Phil, Vicki, Craig and Jordin Mitchell.
