“ *Sally is now with Uncle Rusty and together again with Uncle Henry as well. What a combo. Sally and I went to see the original Excerptist when I was 15. Something I will never forget. She always smiled, called Sheila when she needed help and was good to Momma (Rustys sister, Norma).*

God rest her soul. She left behind what she referred to as her daughter, Sheila. Robert, Kelly, Cade, Mason and John.

“ *I'm so sorry Robert and John McGeehan for the loss of your mother. There's not enough words to describe how much love I had for your mom. We worked together for 25+ years. We were the best of friends to more like family. I will truly truly miss our calls and visits.*
