“ *Memories are many...
She was going hang me for how I played poker...I couldn't play poker.
She laughed so hard at my paragliding antics that she almost fell out of golf cart.
We sat in the truck sometimes and talked for hours.
My family has many meals at her table.
So thankful for seeing her recently.
We just talked recently chatted and she told me she loved me just like every time.
She was my friend for life!*
