“ Sherry was a wonderful addition to our family. We were always so happy when she and Kenny came to visit us. My daddy loved to tease her about her red hair and her love of shopping in Alabama. She visited me last year and she was overtaken with emotions because I look so much like Elsie (kenny's mom) she was always pleasant, attractively dressed, and interesting in our lifetime events. My condolences to Chad , Chris , and their families.

“ I was sadden to hear of Sherrie passing. I remember her working here as our Secretary for many years at Materiel Division. The last time I saw her was at Licia's Johnson retirement and I remember how well she looked. May God continue to strengthen the family during this difficult time. But he will get you through those dark days. I'll keep the family in my prayers.Sincerely,Dollie

“ I only just found out that Ms. Sherrie has passed. She was a second Mom to me during some of my earlier years and my memories of her are nothing if not very fond. As any woman would strive to be, she was a wonderful lady and a tender mother. Chris, Chad, and all, I'm praying for you guys.
