“ *Our deepest condolences to the family of Ms. Darlene. She will be dearly missed. I sometimes would see her when she would be stocking the shelves or displays with her crackers and snacks. She would always give me a big hug and smile and ask how me and my husband was doing and always asked how my parents Ms. Joyce and Mr. Wayne Dutt was doing. She would stop sometimes to visit and see how my parents was and leave them some goodies. My parents loved it when she would come visit with them. She was a good friend and she will be dearly missed.*

“ So sorry to hear of her passing. Though I haven't seen her in years, I remember what a sweet girl she was. Time goes by fast and now she's all grown up with grand babies! Hard to believe. We rode the school bus and were neighbors. Kathy and I were more friends than she and I, but still remember her with fondness. Thoughts and prayers going out to you all!

“ Darlene was one of the sweetest people I knew. We went to school together and to Putney Baptist Church together in the 70's. I have not seen or talked to her since then but know she is in heaven and we will see her again. My heart goes out to her family.
