“ *I live in Marietta, GA and since Covid have been watching Evergreen on line services for quite a while. I had the pleasure of hearing Sherry sing "Thank You" a few weeks ago. I encourage you to look at the lyrics to the song, and realize how you can be such a blessing to someone else and lives and hearts can be changed for eternity. I want to personally thank any of you who spoke blessings and prayed over Sherry's life. I want to thank Lamar & Betty for choosing to be her parents, loving her and living a Godly life as an example for her. The song begins with dreaming about walking the streets of gold, and praise God it is no longer a dream. Sherry is there for eternity. 56 years of life really does not sound too long for most of us, including me now that I am 76. When you put any amount of life God gives us on earth up against eternity, there is no comparison.*

Sherry's Aunt, Lamar's sister and a child of the King*
