“ *I don't remember a time before Shirleen was my mamas best friend. I was 6 or 7 when I first met her. Along the way she went from "mamas friend" to "aunt shirleen" and that's all my own daughters ever knew her as.*

*If you wanted someone to sugar coat stuff and tell you sweet lies....shirleen was not that person. She was honest and good hearted. She was a part of our family, though she was not blood. My grandparents considered her an honorary child, a sister my mother never had. We are so saddened by her passing and we never dreamed that this would happen. We send all of our love and deepest sympathies to the Andrews family. May you find comfort amongst each other and joy through the memories you made with her beautiful soul. She will never be forgotten and will always be with us in spirit.*

*Dear Sweet Shirleen will always be my very first best friend and I will miss her so much. Friendship isn't about who you've known the longest. It's about who walked into your life, said "I'm here for you" and proved it. And Shirleen proved it time and time again. I love you, and I miss you my dear friend.*
