“ *I was so saddened to hear about Shirley. Alvin I understand the hurt. Bro. and Sis. Phillips, Bro. Noah and Sis. Angie Phillips, my prayers are with the family and church family. I know this has hurt you. Shirley was a real trooper. She loved everybody. I'll never forget the time I was in Georgia and Shirley decided to fix my hair. She thought I was beautiful and I thought it didn't look like me, but Shirley and I had fun! I wish I could be there. I miss all of you and would love to see you. God be with you and help you at this time. I love you. Sis. Marilyn Saylor*

“ *Shirley was a gift from God to my family; she helped with our mother for several years during a very difficult time for our family - she became a dear friend to my mother and to the family and she went above and beyond to ensure my mother had everything she needed. She became a part of our family and we are forever grateful. We are all deeply saddened by her death and pray for her wonderful family during this difficult time. She will always be fondly remembered in our hearts.*
