“ *Ms. Faye was a wonderful woman, who changed my life. I've never met a woman so kind and true. She never missed a phone call, even though I missed hers half of the time. We did not know each other long, but being friends with a woman like Faye is a blessing as long as it lasts. She was truly an angel that touched my life and many others'. She talked with me through my move to the city, which would've taken a toll on me without her constant support. My only wish is that her love and genuine kindness never go forgotten.*

“ *Mrs. Faye was a regular of mine at Longhorn Steakhouse. We become really good friends and I will miss her much. She was a blessing to my life in the short period of time I knew her. I wish I couldve told her goodbye. RIP Mrs. Faye ? Cassie*
