“ *My condolences to the family. You can feel that death can leave a  
heartache that nothing can heal, just know that love can leave a  
memory that no one can steal. May the God of all comfort continue  
to be with the Campbell family during this most difficult time.*

“ *I adore Scott...I miss him all of the time. He used to tuck me in at  
night and always made sure to tell me everyday that I was  
beautiful...This is so hard...I love you like the dickens and miss you  
like the devil...I'll do my time, waiting in this purgatory line....*
