“ Where do I begin...Can't seem to wrap my head around that I will never see you again or hear that funny giggle. You were like a son to us and loved you so much. I am sure you are with your Uncle Gene and discussing which is better, Dodge or Chevy. Not sure who would win that debate. I will miss you Stevie. I am so glad you got to enjoy our 77 Monte for a short while, I know you loved that car. Until we meet again. Rest in peace. I love you. Aunt Elaine...

One of the kindest men I've ever known. He surely loved his Shannon and the girls as he would say. Steve...who will we call now for our music trivia? I guess I'm the oldest so I better sharpen my music knowledge. We will surely miss that smiling face. Sending love and prayers to Shannon, Cierra and Alexis. Love you girls.
