“ I don't think I can even begin to come up with just one memory of my best buddy. My biggest memory will be that no matter what was going on in our lives, good times, bad times, highs and lows he was ALWAYS there for me so im just gonna ask for one more favor. I lost my youngest daughter to a car wreck on November 19th and now my best friend on December 19th. Stevie please watch over and take care of my baby as you both are in heaven watching down over us still here dealing with such a loss. I love you my brother and always will!!

“ Me and Steve would have long talks as we worked the bridges on base, we talked about previous jobs, life the family and how he like to go fishing. He was a good man and we respected one another. One.thing I can whenever we talked he would always be eating his little Debbie pies lol. We will miss you my brother R.I.P.
