“ Dear Steven, We are heart-broken to have to give you up so young in life. You have made so clear your acceptance of Jesus as your Savior that it helps us to know that you are now in heaven, enjoying God's love and presence and being with others of our family members who have gone on before. We have recently followed your life on Facebook and noticed how tall, lanky, and darn-handsome you are! (I hope you are laughing and grinning over that one!) We also delight that you have found Megan and had her and her two children in your life to love and enjoy as a family. We miss you always. Love, Uncle Winston and Aunt Linda
