“ Lisa, Ken, and Family,  
We share in your sorrow and loss of your mother, so soon after the loss of your dad. Your parents were gracious people who had many friends, which is a testimony of how they cared for others. No greater love than the love of Christian friends.

“ When my brother first started dating Sue, she was "Big Sue" and I was "Little Sue" because I was probably about 10 or 11 at the time. Then when they married, she became "Kent's Sue" and I became "Ed's Sue". Then several years later when I married, I became "Ray's Sue" and she was still "Kent's Sue" which she remained until her last breath. She loved my brother deeply and was always his soulmate and biggest supporter, so for this and for many other reasons, I loved her, too.
