“ *Wyatt, Elaine and Family,
So sorry and saddened by the loss of Ellen. We didn't get to be together as much as I would have liked, but I knew she was my friend and I enjoyed the times we were able to visit. She was a very sweet person and I will miss her. I pray that God will give each of you the special strength you will need for the days ahead.
Love, Evelyn and family*

“*John and Scott--your Grandmother loved you both so very much. I fondly recall your visit to Cleveland once when she brought you over to the pond in our pasture. She and John fished, and Scott and I strolled in interesting conversation all around the pond. She and I were Gamma Phi/Pi Epsilon Sisters, and we also truly enjoyed traveling during our retirement years with our late special friend, Rusty. Hold on to the truths she instilled in you through her love of God, family and friends. My love to you and to all of your family. I now live in Cleveland, and in Huntsville, Al. “ Mrs. Melton, as we knew her, was a VERY special lady. Our son, Jason, was in her enrichment class for three years. I would volunteer to go with her on class field trips when she needed a chaperon. She was such a positive influence in our family's lives. Jason has been married since 2001 and has 9 month old twins. He is an engineer at Gulfstream in Savannah and operates Azelle Photography with his wife. I tell you this to let you know that Mrs. Melton touched our lives and I know sooo many more in a way that she probably never could have understood. Our thoughts and prayers are with your family.
