“ *To the family of Susie Pendley,  
My thoughts and prayers are with you all and may God bless and comfort you through your loss. I got to know Susie from working at the base and never saw her but what she had a smile on her face. She was so well liked by all that knew her. Mr. Ray, your love and devotion to Susie during her time of need is a testament to your character. You are one in a million and Susie was fortunate to have you in her life. May you all find peace in knowing that Susie is in a much better place and smiling from above! A friend, Carole Jones*
