The World has lost a very especial person and I have los my best friends and the love and breath of my life. “ I met Tammy and Bill at New Hope, years ago. They were the nicest people. I enjoyed going to church with them and the get togethers at Sikes Barn when my kids were small. My thoughts and prayers are with you all.

“ My favorite memory of Tammy is the very first day I met her. Her smile and love for life were evident. She took me into their lives and made me feel like her own daughter. She trusted me from the day we met with her most precious treasure, her sweet baby daughter Hannah. I'll always treasure all the memories and fun times I shared with Tammy! I'll always be thankful to her for allowing my relationship with my Hannah and for the strong bond that we have! Thank you Tammy! I'll miss you-Ra-Da
