“ I am praying for your family during this difficult time. Tammy was such a sweet lady. I worked with her for a while when she worked at the hospital in Athens. When we realized we were both from Worth County, we had an instant connection. She was very kind and giving and will not be forgotten.

“ Tammy was a genuine, loving, one of a kind soul! When we were little girls we played together and her sweet smile and personality made me so happy that she was my friend.~ I will cherish my time with her and our long talks. She would do anything for anybody!~ She loves Jesus and could also tell you what needed to be said, all in love! I will miss her, so many people will! I'm so thankful I could call her my friend and we both said we were like kindred spirits. I'm praying for her precious family and friends!~
