“ *I can remember Clyde skating back in the day at Ralph Allison's  
skating rink. Then years later I was getting veggies out of his  
garden. He sure knew what he was doing when he was planting  
those plants. Thanks for being a part of my life Clyde. I know you  
will be planting a beautiful garden in Heaven. Our thoughts and  
prayers are with all of you.*

“ I am Clyde's cousin and my mother was Louise Priest. Just happened to check Banks Obituary site and was stunned to see that Clyde had passed away. The last time I talked to Clyde was at Uncle Bevis' birthday gathering at the nursing home. My heart hurts for his family and loved ones. May each of you have peace and remember Clyde in your hearts.
