“ My heart is broken for the great loss of Ted. He was a great friend to my dad, Jerry Goodman. Ted would always have a smile on his face, and when I was a little girl, I could run up to him and he would pick me up and tote me around everywhere. I always called him my Teddy Bear. May your hearts feel the love that this community had for Ted. My thoughts and prayers go out to everyone!!

“ Ted was one of my partners at Worth County EMS when I started working there in the early '80s. He always had a joke to tell, and a helping hand. He was a stickler for "doing it the right way" while caring for a patient. I will miss his smiling face and his hug every time I ran across each other in town. RIP "Tedro" and know that we will take it from here.

Ted was a great friend. We always stopped to talk when we'd see each other in town. He was truly an asset to Worth County and anyone who knew him. I know he's making his rounds checking on everyone and I'm sure Aunt Ruth Sanderson is one happy lady to see him! You will certainly be missed by so many Ted... Rest easy! We'll all cherish the memories we've all made personally with you!

Ted has made it home. I was fortunate to be pastor of New Bethel Church when Ted first started attending that church. One outstanding thing I remember about him was his desire to know the Word of God. Many times he would ask a question as he left a service. He loved to serve people. Well done Ted, now receive your reward. Ed Waller
