“ *I was so shocked and sorry to hear of Teresa's passing. I have not seen her in several years, but I have always considered her a friend. I remember how fast she could type (on a manual typewriter!) and that she was a fast runner. My thoughts and prayers are with the family--especially "Ms. T".*

“ *I spent many weekends with Teresa throughout our years at Worth Academy. I am deeply saddened to find out that she has passed away. Oh, for the memories...her nickname "Superfly," Watching Soul Train on Saturdays, going to church with her in her beautiful country church, being envious of her piano talents, an unintentional pool incident after a double date... feeling completely a part of the Tompkins family. Although we had only a few visits since graduation, I still think of her fondly as a childhood friend. My heart goes out to Mrs. Ruth, Trisha, Mary, and the rest of the family. I love you guys.*

“ Sorry for your loss. I first met Teresa about 10 years ago at Scooterville Peanut. I work with Fed. State Insp. Serv., so I made frequent trips to Scooterville during peanut season. Teresa was a great person and loved her family. She always had a smile on her face. She will be missed.
