“ So very sorry to know of Teresa's passing. As friends in Albany, we did not hear of her death until almost 2 months later. Sending sympathy to Kebo and other family members. We had many good years together in Albany, but had lost touch when she moved to Americus, Mauk, and finally Sylvester.. Teresa had such a talent for decorating , gardening, and cooking.. She was gifted in many ways and always was fun to be around. She made a lasting impression on us and will always be remembered for her many qualities..

“ Teresa was a person who helped me through a tough time in my life. She really helped me survive by being my friend. I just learned of her passing today. I am so sorry she is gone. The world has lost someone I consider a truly great person. All I can say for sure about Teresa is that she is in a better place today and those of us here lost a friend. - Ron Simpson
