“ *Tommy was my first Team Leader when I joined P&G and I could not have asked for a better Leader. He showed me the ropes and taught me a lot about being a good leader - not just a manager. He was more than my Team Leader; Tommy was an incredibly loyal friend and always had my highest respect and admiration. Now, some three decades later, I still pull on lessons he taught me and I used skills he developed in me throughout my career and in my personal life as well. I feel lucky that we kept in touch after I moved away. I know he was in so much pain the last few years and while I am saddened that we have lost him, my prayers are that he is now pain free and his family may find comfort in their many fond memories of him. Rest in peace, my friend.*

“ Mr. Thomas was the kindest man. He was always willing to help with anything you needed. Every time I would go to see Sonya and Tanya when we were younger, he always ended up working on my car lol. He never minded helping me. He let me know also that I should get a different car lol. He will be missed. Until we all meet again. My prayers are with Mrs. Norma, Gary, Sonya and Jade.

“ Thomas was the absolute best father-in-law. I knew how much he loved me, his children and his grandchildren. He was kind, incredibly smart, and had the biggest heart. I loved sharing a cup of coffee with him. You couldn't help but smile when you looked at him. He just had that warm effect on everyone. He loved Jesus, and he is rejoicing with the angels. He will be there with open arms when I get there some day as he was every time I saw him. Love you Papa ❤️
