“ *Tal and I really enjoyed Tom coming over and fishing in the pond. He would get so excited when he caught a catfish and Tal would always clean it up for him. If he couldn't catch anything, he would just sit and talk with us. He always had a funny story to share. We will miss his company!*

“ *oh wow! my deepest heartfelt sympathy to family and friends. I have so many fond happy memories of uncle Tom. what a life filled with good times and humor at every turn. he treated Wes and I just like his own. when my granddaddy Young died, " Tom Cat" was there and it felt like he had never left us. they were so much alike, no mistaking they were uncle and nephew. I will sincerely miss uncle Tom. one of the first fond memories were how he used to tell Wes and I that "Soap Sally" was gonna get us! Thank you uncle Tom for being the life of the party and keep grandma and granddaddy straight!*
