“ *I just found out about Tim's passing and wanted to offer my sincere condolences. I knew Tim from the time of His playing for my father's Dixie league baseball team. Dad always thought the world of Tim and his entire family. Tim was smaller kid with a big heart and a great left arm. He was one of Dad's favorite players. I know he will be missed by his family and friends and I am so very sorry for your loss.*

*Regards
Tim Bryan*

“ A light went out of my life today. A young man who has called me mama for a number of years went home to be with our Lord. He wasn't my biological son but I loved him dearly & I know my beautiful friend, Virginia, would not mind.

I have such beautiful memories of baseball games, especially the one that got he & his friend Danny scholarships to play ball for Gordon Jr College. What a game ! He pitched & Dan caught . They became "Roomies" & the good times began! Signing day with the newspaper on hand , the snow storm when school turned out , they got hit by a eighteen wheeler on the way home, sharing underwear & care packages from home !

They were in each other's weddings. The Wards & the Blaylock's traveled to out of town games together. The boys learned to chew tobacco!

Such good times, lasting friendships & so much shared love.

My main regret is that by the time he became ill, I had health problems & we were not able to visit. But we visited on Facebook.

Thank you Donna for our time shared, pictures & your darling granddaughter. I'm so glad he got to enjoy her.

I guess I could go on & on but I simply want you, Donna, Chase & Chad to know how I loved Tim & know I will be with him again!

Love, mama Nell
