“ *A single tear..
Escapes down my cheek it seems
Every time I hear her whisper
To the cobwebs in my dreams*

*Of simple times and days gone by
A wonderful part of my life
She taught me how to care.*

*She told me..
Love has a beginning it never has an end
When you give away a piece of your heart
You never get it back again.*

*She gave me the freedom
To chose who I wanted to be
She accepted me as I am
And let me just be me..*

*I love you,
Carolyn*

“ Dear Terri, Toni, and Hope, Kay and I were shocked and deeply saddened by the tragic news. It broke my heart. I have no words that could express how deeply sorry I am to hear about your mother - my baby sister. Tina was kind and caring to others, and always went out of her way to help family and friends. We talked on the phone every week. I'll miss hearing her cheerful voice. She often talked about her grandchildren and how she loved them. I have many cherished memories of Tina and will always remember her smile and loving embraces. I wish I could give all of you a big hug, but I'm unable to be with you at this time. My prayers and thoughts are with you. I love each and every one of you.
