“ *Ms. Carolyn was one of the most delightful teachers with whom I shared the profession. She and best friend Ms. Garland taught me so very much about the profession and life early in my teaching years. They were both dear precious southern ladies.*

“ *My first year of teaching school was in 1968 at Worth County High School. We were on the same hall at WCHS. Mrs. Cline offered advice and support. She was always a professional whom I enjoyed seeing everyday. May God bless her and all our memories of her.*

“ *She was an asset to WCHS. My memory of her is of a beautiful, well-dressed LADY who just happened to be a very good science teacher. I've always been happy that I had the good fortune to have been one of her many students. Condolences to all her family.*
