“ For my Baby big brother ❤️

*My brother is dying even though he is still here  
We are already grieving our hearts full of fear  
So many questions with no answers to give  
How can you take him  
Why can't he live.  
From anger to tears as we watch hope slip away  
Knowing anytime now could be his last day  
His wife lies next to him their arms intertwined  
A love like theirs only the blessed ever find.  
His time is nearing his work here is done,  
Soon his battle will end the cancer has won.  
Rest now baby big no more suffering to endure.  
You were greeted with joy this I am sure.  
Heaven is lucky to have you return home.  
I pray you visit us often, never leaving us alone.*

*Love you always, forever, no matter what  
Your big baby sis*
