“ Although I've never met Tony Personally, It sure feels like i have. I have transferred a number of calls to his department and i am always happy to hear Tony's voice. Tony has a unique one of a kind voice and his energy will definitely be missed! I always felt happier after speaking to Tony. Sometimes customers would call in and say " Hey, can i speak to Tony?, I love that guy" and i would always reply " sure thing, don't we all!! ". My sympathies go out to Tony's family!! Tony will be deeply missed !

“ Tony was absolutely the best person to work with. He wouldn't think twice to drop what he was doing and help others. He shared his knowledge openly and would always ensure that we had answers to the most complex of any issue. He was very compassionate and was always concerned with the well being of others. You could not have asked for a better mentor. He will be deeply missed.

“ Genuinely one of the most joyful and loving human beings I’ve known. I only have good memories. He never failed to tell me how much he loved me every time I saw him. And I always knew he really meant it. Uncle Tony always took up time with us when we were little and showed a genuine interest in us when we would spend time with him and Aunt Jill. I can still hear him telling us when we were younger “Y’all just need to move up here with us so y’all can learn to barrel race!”. Although his loss is felt so deeply, he left so much love and sweet memories with everyone he knew. Especially his family. Give lil Toni a kiss from us.
