“ My heart goes out to each of you. Although Tracey and I did not share much time together, I always remember her having a friendly demeanor and kind smile. It's unfortunate that we lose our loved ones long before we are ready to let go of them. I pray that God will bless each of her loved ones with peace and strength. I hope that she will leave behind wonderful memories in each heart that she touched.

“ Brad, boys and family, I am so sorry for your loss. Tracey was a wonderful person who loved her family and friends. She was an amazing friend to me. I will miss her very much but I was blessed to have a lot of great memories with Tracey. She was either making me laugh or laughing with me. She was my goofy girl and I am so proud to have shared several years of friendship with her.
