“ Chris and Becky are thinking of you all. It is so hard to believe as I remember those great weeks as a kid in the summer that we all spent together in Poland. Those are great memories of little Troy and all of you all and Big Mama. I would not trade those memories for anything in the world. I had such great fun as a kid playing in South Georgia. With technology today kids have no idea what they are missing. Making up fun games , rides in the country and swating knats in the hot Ga heat. Wonderful times with Troy!! Love Chris

“ *When we were younger any time Aunt Violet wanted the boys to come home she would whistle. It was the loudest whistle I've ever heard. No matter where they were they would come running. So, I guess maybe his Mama whistled.*

Sandra Webb - November 08, 2021 at 10:59 AM

Oh yes! I know that whistle very well. Yes. I think she called him Home.

Chris Huguley - November 09, 2021 at 10:34 AM

That whistle could be heard all over Poulan.

“ It's sad to see Troy leave us so early in life. We were only a few days apart in age and had lots of memories from school. He's completely free now and in the presence of God. See you later, Troy!

“ *Out of all the people I knew and all the church people that sat on a pew every Sunday. Troy Was the only person other than family who would accept my calls from prison and He's the only one who sent me reading material when I asked. That man showed more Jesus than any other person I've ever known. I will never forget that. Actions speak louder than words.*
