I remember when you came into my life as a little boy. You and AJ grew up playing ball and riding 4 wheelers. I always enjoyed us going deer hunting together. I proud to see you graduate and then went in the Navy. Proud of your service and to call you one of my sons. I love you Tyler going to miss you dearly. I'm praying for all of our families that you were loved by.

“ *Growing up we lived less than a two minute walk from my aunt Tania, uncle Artie and of course Maddie, AJ, and Tyler. Anytime we wanted to swim or ride four wheelers, we'd go running down the drive way. I remeber him absolutely PELTING us with snow balls the first time it snowed in Cordele in years, I thought it was Maddie coming outside, but he had a whole bunch already made sitting on the front of his truck. I'll always remeber us all that way, young, carefree, and frozen in time. We love you Tyler.*
