“ *I spent a lots of time with Virginia and her family as a child. She was willing to babysit me when Mother needed someone. She carried my to ballgames to watch Clara cheer and to the beauty pageants that Clara competed in. I have many memories of Allen and Clara as a child. I remember when Allen went off to college and return with a bride. Of course I have fond memories of Emmett, Clara's husband. I remember when the granddaughters were born and I watched them all grow up to be women. May you rest in Peace. May your family have memories of you as I do. My prayers goes out to Clara and Allen and the family.*

“ Sending my deepest condolences to Clara, Jennifer, and all the family. Mrs. Tipton was a very dear friend to our family. My children thought of her as a grandmother and she treated them as such. "Tip" as my son called her was always available to sit with them whenever I needed her and she took great care of them in the church nursery. We have many fond memories of her and are so thankful she was a part of our lives. You all are in my thoughts and prayers.
