“ *I currently hold the successor position that Ralph held when he retired. I first met Raph when we inducted him into LOGCOM's Hall of Fame. His picture and work history reside in a permanent display on the first deck of Bldg 37000 for all to see, celebrating his many contributions and long government service. From all of us at LOGCOM we wish the family all the best in this difficult time.*

“ *I was deeply saddened to learn of Ralph's passing. He was my Deputy at the Marine Base in the early 90s when I was the Commander. I also was privileged to work for him at the Base from 1983-1987. He was not merely a consummate professional, he was a man I respected for his integrity and for his concern for the welfare of those under his supervision. He epitomized the word "gentleman".* Frank Hamilton Major General U.S. Marine Corps (Ret)
