“ *Tracy was a part of our family for many many years. He always had an active part in outdoor activities such as cutting grass, and burning woods when he was able. He was always friendly.*

“ *Tracey was my best buddy when I was 4 years old and staying with my Grandmother while my Mom worked. His family lived right down the road, so we spent a lot of time together before he started to school. I've always cherished our relationship. I pray that God will comfort the hearts of his family.*
