“ *Walter and I have been close friends for over 15 years. Actually...he was more of a father figure to me and I will miss him dearly!!! Walter was one of the most honest men I know and although he liked to act tough...he had a heart the size of Texas and would do anything for anyone! If you asked him for advice...be prepared for an honest and straightforward reply! As much as I will miss him...I know that Heaven is a better place with him there!!!*
