“ Linda, Debbie, Frank, and family,
We are here at Riverside Primitive Baptist Church and want to extend our condolences to you. I remember you from Sharon Church and at Riverside. I just was notified in the passing of Brother Todd and remember his preaching the Word of God to the congregation. May the Lord Jesus send you comfort at this time. Prayers to you all, Sis Debbie and Bro David Ash, Jacksonville.

“ We are very saddened by the news of Brother Walter's demise. We have fond memories of his labors in this area and a personal memory of being Baptised into the Church by Brother Walter, and his preaching very sweet messages concerning his calling to the ministry of our Lord and Saviour, Jesus Christ and his service in the Cause of Christ, and also for his service to his Country in his tenure in the United States Navy. He was a very able minister who loved the Lord, loved his family, and unselfishly sheared this love with his wife and children and his Church Family. May he rest in peace with our loving savior thru eternity. We know he will be welcomed into the arms of God as a good and faithful servant who has served as a faithful witness here on earth. In loving Memory, Max and Joyce Wells and family.

“ Dear Sister Linda and Sister Debbie and family,
Elder Paul Evans made me aware of this, and my thoughts and prayers go out to you and all the family. We had many good times together, and it will not be possible to fill Brother Walter's shoes. He served God and God's people for many years with great distinction and humility. He is now with Christ, which is far better. May God comfort you in your great loss. Jimmy Smith
