“ *My/Our Love to the family.*

*If there is one thing, I know your daddy is in Heaven with your momma. She is probably fussing at him right now for he and Coolie (Wayne Spring) are probably working on a car getting it ready to race. But nothing made them any happier. The truth be known, your momma will be driving the car this time and making them watch for a change. I can just see the look on their faces as your momma goes down the drag strip. I know she is steadily laughing at them. It would be a sight to see.*

*I don't believe that GOD could/would have ever paired any closer friends in life. So, to My Hero (Wayne Ferguson) and Coolie (Wayne Spring) and Dorinda we can all rest assured you are all together.*

*I know it isn't going to be easy for any of you but know that you all are always on my mind and forever in my heart. We are family and each and every one of you are my Heart.*

*I Love you all,  
Sheila Spring*
