“ *Wilda made a huge impact on me when I married into the Headrick family. I had the privilege of looking after her for several days and now, appreciate that opportunity more than I was ever going to realize. It gave both of us the opportunity to talk and still realize after all these years just how much we both loved and respected each other. She was truly an amazing woman and loving mother in law. Thank you so much for the memories Wilda!*

“ A message of sympathy in the loss of your dear loved one, please find comfort in knowing that "God will wipe away the tears from your eyes and death will be no more, neither will mourning nor outcry nor pain be any more the former things have passed away."
